## EXPERIENCE

### ILLUSTRATION

*Various | Present*

I have written and illustrated an original bilingual children's book, *Belefante*, and designed a corresponding webpage and trailer. I have also been commissioned by various clients to complete custom illustrated works through digital and traditional media such as watercolor.

### POSTER DESIGN

*Various*

I have worked in group settings to design various posters and promotion packages for events on the university campus, and have had the individual opportunity to design custom posters for student led short films.

### LOGOS AND BRAND IDENTITY

*Various*

I recently had the opportunity to design logos and brand identity for various clients including Dude Bros Men's Ministry and Film Guys Productions, and have redesigned the logo for Melissa Klink Photography and am currently redesigning her website.

### PHOTOGRAPHER'S ASSISTANT

*Melissa Klink Photography | 2013 - Present*

I occasionally work as the Photography Assistant for Melissa Klink Photography and am responsible for transportation of equipment, assistance with setup, positioning, and lighting.

### INTERNSHIP

*Harwelden Mansion*

Daily responsibilities included creating and scheduling social media posts for the upcoming day(s) and making necessary changes to their website. I updated and created various aspects of the Harwelden brand manual, reviewed footage, took/edited photos for various merchandise promotions, and attended weekly staff meetings and events.

### ADDITIONAL WORKS

*Various*

I have been commissioned to create various graphics for TV screens and social media platforms for various ministries, and have experience with motion design.
